

Benefits of Membership

Why Join? Why Renew?

As the pre-eminent organization focusing on historic postmarks and post office history, the PMCC is an enthusiastic group whose members not only share information but also readily share duplicates from their collection, all to advance each other's enjoyment of the hobby. The PMCC offers many opportunities to network with other collectors, find answers to your questions, and stay informed about currently available covers and postmarks, as well as historic ones.

Benefits of PMCC membership include:

- An information-packed monthly newsletter
- The latest about our annual convention that scores of members attend
- Access to information from the world's largest postmark museum
- The *only* resource for continually updated lists of presently operating U.S. post offices (and other operations with collectible cancellations)
- Ready answers to your postmark and postal history questions
- Numerous opportunities to buy, trade, and send for postmarks
- Discounts on post office directories and other items

Supporting PMCC

As a club, PMCC is most effective when members are highly involved and supportive, advancing both the organization and our world-class postmark museum.

There are many ways to contribute to the organization if you are so inclined. Share your duplicate postmarks with philatelic newcomers or with veterans who share a common interest. Utilize your expertise by answering questions from members and others to advance interest in our hobby. Contribute articles to our *Bulletin*, or submit the latest news about post office openings, closings, and changes for the PMCC Post Office Directory. Donate extra material to the museum or for use at the annual convention.

Financial donations are, of course, most welcome! Money goes toward maintaining our ever-expanding Museum, our award-winning *Bulletin*, and our club outreach activities. The PMCC is a 501(c)(3) nonprofit organization, and donations are tax-deductible.
